ORDER

AND NOW, this 8th day of February, 2012, in recognition that the scheduling order case lists for the CVLO MDL-875 cases are subject to change due to dismissals and the entry of new cases, and in acknowledgment that the use of out-dated case lists creates significant administrative burdens, it is hereby **ORDERED** that counsel, when filing any motion or other paper, are directed to use the scheduling order case lists located on the court's MDL-875 website at <http://www.paed.uscourts.gov/mdl875r.asp>.¹

These lists will be kept updated on the website and will represent the most accurate scheduling order case lists. Any errors counsel discovers on these lists should be brought to the attention of Joel R. Lang, Esq. and the Chambers of Judge Strawbridge or his appointed law clerk as soon as practicable.
