<sup>1</sup> Plaintiffs in these cases are represented by Waters & Kraus LLP and the motions filed present similar issues of law argued by a common group of defendants in these cases. In the interest of judicial efficiency, oral argument on these motions will be consolidated.

It should be noted that oral argument in Stone, 09-93726 on the issue of product identification is scheduled for February 10, 2011 before Chief Magistrate Judge Thomas J. Rueter. Should any issues remain unresolved following that hearing, they will be argued before Judge Eduardo C. Robreno pursuant to this Order.
