**AMENDED CASE MANAGEMENT AND SCHEDULING ORDER FOR CVLO-4**

**AND NOW**, this 11th day of April, 2012, after discussing with the parties on multiple occasions the necessity of altering the scheduling orders and the case lists associated with those scheduling orders, **IT IS HEREBY ORDERED THAT**, as to the cases identified on the attached list, the following discovery and pretrial management deadlines shall apply<sup>1</sup>:

1. Plaintiffs must submit to the defendants and to the court a list of viable defendants who they are unlikely to voluntarily dismiss in each of these cases by: May 15, 2012
2. All remaining fact discovery must be completed by: August 3, 2012
3. Plaintiffs must provide a list of defendants in each case that plaintiffs are willing to voluntarily dismiss by: August 17, 2012
4. Plaintiffs' expert reports must be filed by: September 4, 2012
5. Defendants' expert reports must be filed by: September 24, 2012
6. All expert discovery must be completed by: October 1, 2012
7. Any dispositive motions (including any dispositive *in limine* claims) must be filed by: October 29, 2012
8. Responses to any dispositive motions must be filed by: November 12, 2012
9. Replies to any dispositive motions must be filed by: November 19, 2012
10. The parties have advised us that they anticipate that the plaintiffs will not need to file expert reports on the reasonableness and necessity of the medical expenses, as the parties likely will agree on this issue. We acknowledge that each defendant may

decide to dispute such expenses in any given case, and will deal with those disputes accordingly. However, given the likelihood of such agreements and to the extent necessary, plaintiffs shall not be obligated to file such expert reports until after dispositive motions have been adjudicated or suggestions for remand have been filed.

11. Responses to requests for documents and other paper discovery must be served in accordance with the Federal Rules of Civil Procedure, unless subject to a written agreement by the parties.
12. Depositions and certain discovery are to be governed by the Federal Rules of Civil Procedure, as modified by the August 4, 2011 Deposition Protocol (amended on April 2, 2012) (08-90330 Doc. No. 87, Exh. A), the November 9, 2011 Medical Records Collection Protocol (01-MD-875 Doc. No. 8262), the December 14, 2011 Rules and Procedures Relating to the Authorization for Release of Bankruptcy Records (01-MD-875 Doc. No. 8318), as well as any future protocol agreed to by the parties and approved by the Court.
13. The role of defense liaison counsel will be to coordinate communications between the defense and the Court and to work with plaintiffs' counsel to come to agreement on broad issues. However, to the extent any party should have a particular objection or issue with regard to any case, that party is free to deal with plaintiffs' counsel directly.
14. A settlement conference, with client representatives to be in attendance in person, shall take place at such time as the Court, upon the recommendations of the parties or otherwise, deems appropriate.
