

MAY 1, 2020, LAW DAY PROGRAMS CANCELLED DUE TO COVID-19

The Eastern District of Pennsylvania Law Day program must be cancelled due to coronavirus concerns. The health and safety of the participating school students, teachers and administrators, as well as volunteer judges and attorneys, court staff and courthouse personnel must take priority over our popular civics education programs.

This cancellation applies to ALL COURTHOUSES in the EDPA.

The Court is committed to continuing our partnership with schools and community, and looks forward to recreating the Law Day 2020 program in the Fall. For further information, please contact chambers_of_cynthia_m_rufe@paed.uscourts.gov. We appreciate your interest and support.
