MEMORANDUM & ORDER

J.M. KELLY, J.

June 27, 2001

Before the Court is Plaintiff's Motion for Continuance of the arbitration scheduled in this matter for July 13, 2001. This arbitration was continued once before at the request of the parties. The arbitration scheduled for July 13, 2001, was the result of the defense counsel advising the arbitration clerk that any date from July 10th to July 13th or July 16th to July 20th was agreeable to both counsel for a hearing in this matter.

The purpose for arbitration is the expeditious, less costly disposition of certain cases. Counsel and their parties are not the only ones involved in an arbitration. The arbitration clerk has to arrange for dates that are convenient to the Board of Arbitrators.

In view of the above facts, it is ORDERED that Plaintiff's Motion for a Continuance is DENIED.

BY THE COURT:

JAMES MCGIRR KELLY, J.
