As previously ordered, the Court may adjust the size of the PSCs if necessary as the litigation proceeds. The appointments to the PSCs are of both the attorneys and the law firms. The Court expects that the leadership will provide opportunities for attorneys not named to the PSC, particularly less-senior attorneys, to participate meaningfully and efficiently in the MDL, including through participation in any committees within the PSC and in determining which counsel will argue any motions before the Court.

It is so **ORDERED**.
