**ORDER**

And now this 19th day of December, 2011, having been informed by the Office of the Clerk of Court that certain attorneys have not yet registered for ECF in each case in which they are listed as counsel and are still receiving paper copies of the orders entered in those cases, and having found that:

1. Generating and mailing these paper copies creates an undue burden upon the Clerk of Court's staff;
2. Pursuant to Administrative Order 23, dated February 8, 2011, counsel wishing to be admitted to the Court *pro hac vice* for purposes of MDL-875 were required to, *inter alia*, register on the ECF system and pay the admission fee;
3. Pursuant to this Court's October 26, 2011 Order, on or before November 1, 2011, all attorneys representing any party in any MDL-875 action filed by the Cascino Vaughan Law Offices ("CVLO") were required to either register on the ECF system for those cases, or, if they had already previously registered on ECF, confirm that their information was accurate for those cases; and
4. As a result, no attorney of record in an MDL-875 case file by CVLO should still be receiving paper copies of orders.

Therefore, it is hereby **ORDERED** that the attorney on the attached list shall register for ECF in the listed cases, or withdraw as counsel in those cases, **on or before December 30, 2011.**
