3. 2020 to Present: The Gateway Building, 201 Penn Street

In 2017, the GSA negotiated and signed a new ten year lease to relocate the Eastern District Court, Bankruptcy Court, United States Marshals Service and Probation offices to the Gateway Building located at 201 Penn Street, two blocks away from the Madison Building.

The renovations to the leased space in the Gateway Building were completed, and the Court moved to the Gateway Building in February, 2020, where it remains today.
