	:	

I, ______, defendant, have consulted with my counsel concerning my right under the Speedy Trial Act and my right to a speedy trial under the Sixth Amendment to the U.S. Constitution. I am requesting a continuance of my trial. I agree that the ends of justice served by a continuance outweigh the best interest of the public and myself in a speedy trial. I also agree that the delay by the continuance will not deprive me of my speedy trial rights under the Sixth Amendment.
