CORRECTED ORDER

PRETRIAL ORDER NO. 144

AND NOW, this 26th day of October 2011, upon consideration of the Plaintiffs' Steering Committee's Motion Appealing the Special Master's Seventeenth Report and Recommendation [Doc. No. 1511] and the response and reply thereto, the Court has reviewed the Special Master's Seventeenth Report and Recommendation *de novo*. The Court agrees with the Special Master's finding that the witnesses cannot be asked about every relevant document, and that Plaintiffs had a fair opportunity to question these witnesses. Accordingly, it is hereby **ORDERED** that the Report and Recommendation is **ADOPTED** and the Court will not allow a second day of depositions for Dr. Martin Freed and Mr. Peter Lammers.

It is so **ORDERED**.
