PRETRIAL ORDER NO. 62

AND NOW, this 9th day of June 2009, upon consideration of the Fifth Report and Recommendation (“R&R”) of the Special Discovery Master [Doc. No. 419], regarding issues related to the deposition protocol established herein in Pretrial Order No. 38 and to the discovery of Defendant GlaxoSmithKline’s OCEANS Database, to which no objection has been filed within the deadline for such filing, it is hereby **ORDERED** that the Fifth R&R is **APPROVED AND ADOPTED**, and that:

1. Pursuant to Pretrial Order No. 38, depositions of plaintiffs will take place in the district in which each plaintiff resides; and,
2. Plaintiffs’ request to compel the production of GSK’s entire OCEANS database of adverse drug events is denied.

It is so **ORDERED**.
